

NEWSLETTER February 2019

Keeping you informed of events in your community.

FROM THE EXECUTIVE:

Our last executive meeting took place on Jan 22, 2019. The following items were discussed.

1. New first aid kits have been purchased for main hall and outside shed
2. New snowblower has been purchased to assist with rink and walks
3. You will see information in this newsletter about our next Family Dance on March 9. These are always a lot of fun and we hope you can be there! Feel free to bring family and friends. Additional community activities info to follow.
4. We are looking for to see if there are grants available to purchase an AED machine for the hall. If not, it will be included as an item for our Sturgeon County 2019 grant application.
5. We have applied for a Canada Summer Grant for a student labourer again this summer. Hoping this application is once again successful
6. An application will be made to the Sturgeon County 2019 grants program for upgrading of the kitchen cabinets and bathroom vanities as well as more fencing around the diamonds. We should know by late March if we were successful in this application.
7. Susan Evans attended the meeting and updated the executive on issues concerning our community that have come up before Council. Please see her writeup included in this newsletter regarding insurance.

8. Thanks to Scott, Brad, John, Ryan, Lisa and any others who have taken the time to go out and make sure our rink is flooded and cleared. We've had a nasty cold snap, and this has hindered maintenance. If you happen to be out at the rink and want to use it, shovels are available for clearing. You're also welcome to call our rink maintenance if you're able to help. Thank you to Ken who has kept the path from Mill Rd to the Hall cleared. This act appreciated and keeps the area safe for walking.
9. Thank you to everyone who came out to volunteer at the Casino in December. Your time is very much appreciated. We should hear by the end of February how much our share of the last quarter profits will be.

The next executive meeting will take place Tuesday, March 5 2019 at 7:30 pm. The Annual General Meeting will take place on Tuesday, April 23 2019 at 7:30 pm. We hope we can get at least 15 community members to attend this meeting so we have our quorum and can proceed. If you have the time, we would love to see you!

Property Fire Insurance – Sturgeon County residents may qualify for reduced fire insurance rates.

Sturgeon County's Protective Services has been accredited by the Fire Underwriters Survey to provide Superior Tanker Shuttle Services (STSS). All of the County's Fire Districts (Namao, Calahoo, Morinville, Legal, Bon Accord Gibbons & Redwater Fire Stations) have been added to the list of accredited agencies for delivery of the STSS. Sturgeon County is the second municipality in the province to have this accreditation.

What does this mean for you? Residents within the Districts who own detached dwellings, are within 8 KM of an accredited fire hall & 5 km of a water supply point may be eligible to receive an improved Fire Insurance Grade. Sturgeon County recommends that you contact your insurance agent directly and review your current Property Fire Insurance ratings. If your insurance company does not apply the STSS Accreditation, please explore options by obtaining quotes from other companies.

For further information and to obtain Fire Underwriters Survey documentation you will need, please go to <https://www.sturgeoncounty.ca/>

Or you can contact Chief Pat Mahoney at 780-939-9400 or email pmahoney@sturgeoncounty.ca
